Comments: I am writing to express my wishes regarding the Tonto National Forest.

1. Designate all Inventoried Roadless Areas as non-motorized;
2. Manage Recommended Wilderness as true wilderness in order to preserve their changes for future designation;
3. Include an objective that removes all unnecessary roads over the life of the forest plan;
4. Establish standards that truly protects fish and wildlife, and restores and connect their habitat.

The Tonto is a pristine and beautiful wild landscape and all pains should be taken to maintain it as such!

Thank you,
Ann Wright
