First name: S.

Last name: Andregg

Organization:

Title:

Comments: I please urge the National Forest Service to:

- Designate all Inventoried Roadless Areas as non-motorized
- Manage Recommended Wilderness as true wilderness in order to preserve their changes for future designation
- Include an objective that removes all unnecessary roads over the life of the forest plan
- Establish standards that truly protects fish and wildlife, and restores and connect their habitat

Thank you.
