First name: Donald

Last name: Gips

Organization:

Title:

Comments: Please do allow this project to go forward unless they bury it all the way to Two Elk Creek. It would create a fire hazard near our home and it would also be too close to the shooting range. In addition it would destroy the view. It would also diminish property value. While we recognize burying this line would cost more, it will allow even better reliability without the risk of fire or destroying the view. Thank you for your consideration.

Don, Liz, Sam, Peter and Ben Gips
