First name: James

Last name: Landers

Organization:

Title:

Comments: I grew up in Wenatchee, worked at mission ridge for 4 years, dirtbike, hike, mountain bike, snowmobile, and explore all over these local mountains.

Mission ridge has always been good stewards of the land they currently occupy. They bring business to the valley and are one of the biggest attractions we have.

We've been hearing about the expansion for years now. Let's get after it!
