Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Dont destroy the beauty and peacefulness of our country.

The serenity as you take in the beautiful area. Enjoyed the sites and sounds of the wildlife!

Keep it wilderness!

Too much noise. It will disturb the wildlife and people and the serenity of such a gorgeous area.

Do not disturb. Dont pollute.

All areas. Thank goodness we have wonderful people keeping a vigil eye on our beautiful earth

Cant thank you enough for the wonderful work you do so that we can enjoy this beautiful country we live in!
