Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Wilderness is valuable to the future of all species.

Please keep Wild places intact.

I would like to keep the Hoodoo roadless area protected.

Animals will be negatively impacted by motorized vehicles.

Please keep and create more Wild and Scenic rivers.

I support creating more protected areas.

Thank you for your efforts to create more wilderness areas!
