Title:
Comments: Hello again, Michelle,

This is in addition to my previous email with letter:

It appears that there is a colored mark close to our property noting Japanese Knotweed. The only Japanese Knotweed that I know about is on our property, not FS. We manage the patch and harvest for medicine. It was already established when we moved here by the old homestead. The patch has reduced due to our efforts.

Thank you again,

Mara Levin

[insert your comment above these instructions, and follow instructions carefully for them to be considered!] How to Comment The comment period is scheduled to begin when the legal notice of the opportunity to comment is published in the Eugene Register-Guard. The legal notice is expected to be published on Friday, February 14th, 2020. However, in the event the legal ad is published on a different date, that actual publishing date will constitute the legal start of the 30-day comment period. The Forest Service will accept comments on this proposal for 30 days following publication of the legal notice of the opportunity to comment which is the exclusive means for calculating the comment period. When the comment period expires on a Saturday, Sunday, or Federal Holiday comments shall be accepted until the end of the next Federal working day (36 CFR 218.25 (2)). It is the commenter's responsibility to ensure timely receipt of comments (36 CFR 218.25). This project is subject to objection pursuant to 36 CFR 218, Subparts A and B. Only those who submit timely project-specific written comments during a public comment period are eligible to file an objection. Individuals and entities wishing to be eligible to object must provide the following during the comment period (36 CFR 218.25(a)(3)): [middot] Name and postal address. [middot] Title of the proposed project or activity. [middot] Specific written comments as defined in 36 CFR 218.2 regarding the proposed project or activity, along with supporting reasons. [middot] Signature or other verification of identity upon request and identification of the individual or entity who authored the comment(s). For comments listing multiple entities or multiple individuals, a signature or other means of verification must be provided for the individual authorized to represent each entity and for each individual in the case of multiple names. A scanned signature or other means of verifying the identity of the individual or entity representative may be used for electronically submitted comments. Names of commenters will be part of the public record subject to the Freedom of Information Act. (Comments submitted anonymously will be accepted and considered; however, those who only submit anonymous comments will not have standing to object per 36 CFR Part 218.) [middot] Individual members of an entity must submit their own comments to establish personal

eligibility; comments received on behalf of an entity are considered as those of the entity only. Written comments should be submitted electronically in common formats (.docx, .doc, .pdf, .rtf, .txt) to comments-pacificnorthwest-siuslaw-centralcoast@usda.gov. Please include "Deadwood Creek Restoration Project" in the subject line. They can also be mailed to the Central Coast District Ranger - Oregon Dunes National Recreation Area, Michele Jones, District Ranger, P.O. Box 400, Waldport, OR 97394-0400; faxed to (541) 563-8449; or hand delivered during business hours (M-F 8:00am to 4:00pm) excluding legal holidays to the CCRD-ODNRA District Office located at 1130 Forestry Lane, Waldport, OR. For additional information, contact Donni Vogel, Project Leader, by phone (541) 563-8416 or by emailing at the email address above.
