Comments: I am 100% Against Any Removal of Horses in This area. I have read the "Draft Proposal" and Nothing Justifys removing Any horse. If anything, the Forest Service needs to Take DOWN Fences for The horses!!! And, most Importantly WHY are there CATTLE in this Area?? They Need to be REMOVED in OUR Forest area, NOT The Horses.

This proposal Is absolutely wrong for horses. Bottomline, I view it as a GIVE A WAY To Ranchers with OUR Tax Payer \$\$\$ and I say NO!
