Comments: To whom this may concern besides me: Please:

Support the humane PZP birth control program implemented by the state of Arizona and its partners;  
Enhance habitat (fence removal, etc) for wild horses given their economic and recreational importance;  
Acknowledge the significant social, economic and historic importance of the Salt River wild horses to their local area, to the region and to the nation.

Again, please save these horses. They are living history and many people want them around for generations to enjoy.

Thank you,

Deb Fritzler
