First name: Andrei

Last name: Harabadji

Organization:

Title:

Comments: Hello,

Please designate all Inventoried Roadless Areas as non-motorized, and  
Manage Recommended Wilderness as true wilderness in order to preserve their chances for future designation.

Additionally, please include an objective that removes all unnecessary roads over the life of the forest plan, and  
establish standards that truly protects fish and wildlife, and restores and connect their habitat.

Thanks, Andrei
