Last name: armstrong

Organization:

Title:

Comments: As far as I can tell from reading the executive summary, Alternative Z allows the most motorized and mechanized travel . If that is true, then that is what I support. I believe public lands should be open to all responsible citizens for their use and enjoyment. OHV are an important part of my life. Access to the mountains and deserts on them is extremely important to me and my family and friends. Thank you. Sincerely, Glenn Armstrong
