Comments: We are writing to express concern about the proposed changes being recommended for the Nez Perce Clearwater National Forest. We are NOT in favor of the proposed change to limit/restrict all motorized vehicle use. Our family uses this area, specifically the Hoodoo Pass area to camp and use our ATVs. We thoroughly enjoy exploring this area as there is a vast array of historical and natural points of interest to learn about. We always abide by the posted regulations and respect all laws in the area. It would be a huge disappointment to have this recreation area closed or restrict motor vehicle use. Please reconsider this proposal and keep this area open. We appreciate your consideration.
