Comments: I grew up in the Yakima Valley and our family would go to Mission Ridge to ski a few times a year. Now I live out on the Great Plains in the middle of the United States and during the winter I make the effort to go and continue to ski at Mission Ridge every year. It is such a great family ski area and I see its expansion as a net positive to the local community and to the economy of Wenatchee. Mission Ridge is such a special place. This expansion will help them stay economically viable for years to come.
