Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

This area is special, pristine, critical habitat. Let's keep it that way! No motorized use.

.

Please keep it as recommended wilderness.

We have enough motorized use areas. Keep Great Burn as a roadless, non-motorized area.

Cayuse Creek, Kelly Creek and all of its forks.

.

Thank you for all that you do in keeping these areas wild.
