Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Please don't open Great Burn! I'm a lifelong Montanan and it's the only place in outside of Glacier that I've seen such incredible biodiversity that truly exemplifies MT. It's the only place I've seen a luna moth, please keep this special place wild.

Please make Great Burn a protected Wilderness with a capital W!

this would be damaging to wildlife and the peaceful, secluded natural area. Almost every hike I go on, I can still here vehicles these days. Please keep this place pristine and wild for hikers

I do not know enough about each river to comment here

Thank you for your time!
