Comments: In my opinion, the existing Mission Ridge Ski & Board Resort may not be economically viable and independently operated unless it moves forward with the Mission Ridge expansion plan. Alternatively, Mission Ridge may need to consolidate with Alterra or Vail based on recent industry consolidation which may have an undesirable outcome. This is a rare opportunity to grow the Wenatchee Valley Community and create jobs and improve the quality of life for locals. My wife and I are very supportive of controlling this expansion opportunity with a well thought out set of plans as recently revised.
