Comments: Just throwing my two cents in. I love, love, LOVE Mission Ridge and the ways in which they support our local community. I'm behind an expansion as I feel like they are good stewards of the land and it provides economic support for the region. I fear that without these measures, they would slowly decline because big dollars are being pumped into other local ski resorts and would divert attendance. Skiing is a fantastic way to get to enjoy nature during the winter and I'd love to see those opportunities expanded for more with an emphasis on beginner trail and programs. Thanks for your support!
