Comments: I am totally in support of the Mission Ridge expansion. I have been skiing there since 1979 and I spent a lot of time raising my 2 sons there and recreating with my friends and family. I think it will be great to expand the area and provide more recreation opportunities, jobs and help insure the continued viability of Mission Ridge. The expansion will bring a lot of income to our area and increase jobs in our area. I recently moved up closer to Mission Ridge and I hope that Mission Ridge continues to grow and prosper.

Thank you for listening to my thoughts.
