Comments: I fully support the expansion of Mission Ridge. Since moving to Wenatchee in 1981, I have enjoyed many seasons of skiing at Mission Ridge. Our whole family has learned to ski at Mission Ridge, and I worked there in the early 1990's in the ski school helping to sell lesson packages. I enjoy the many conversations I have with out of towners on the chairlifts, welcoming them to the community. In addition, now that I work in the Visitor Center at the Chamber of Commerce, I talk to so many people that come to Wenatchee to ski and support our local businesses. I would love to see an expansion of Mission Ridge to make Wenatchee a destination market. Bring it!
