First name: Jeff

Last name: Bellinger

Organization:

Title:

Comments: Do not allow this expansion it takes our home town ski area away from the local skiers and allows Mission Ridge to become another Jackson hole it will cause season passes a lift tickets to only be afforded by people with lots of money also the impact on the environment would be terrible with all of the extra lodging included in the expansion as a skier/snowboarder and hunter I completely disapprove of this type of expansion.
