Comments: I grew up skiing at the Leavenworth ski hill and then, Mission Ridge. I loved skiing with my grandfather, Magnus Bakke, who also worked with Walt Hampton on the design of the runs and the lifts. M.R. is an amazing place to ski and meet other lovers of the outdoors. What an incredible gift we have where we live. I met many skiers this past winter from many other areas of the western U.S. They all commented on the wonderful ski atmosphere that Mission Ridge has developed. All the employees at M.R. love it and they show it in their excitement every day at work. The expansion would be such a positive for the area. Wenatchee is such an incredible place. Let's share it with many and give even more with the expansion. I fully support this endeavor.
