Comments: Simply put, I suppose all of the elk and deer will just need to find a new place to live. Since Kyle Matheson (Stemilt Growers) has blocked off huge parcels of prime elk habitat with cooperation from Chelan County, Mission Ridge might as well do the same. God knows we need all the comdominiums we can build so the wealthy can enjoy the nature common citizens used to be able to enjoy before all of it bacomes private property. I say HELL NO.
