Comments: I am in full support of the expansion of Mission Ridge. I have enjoyed skiing at Mission ridge since I was young. I am now 58 years old an my memories of Mission Ridge keep bringing me back. I am a Level 3 PSIA-NW alpine instructor and enjoy seminars and clinics at the resort. Expansion would only bring my draw to the area stronger. I also would like to have lodging at the resort. The beginner terrain would help teaching and learning for life long skiing in the region. Please approve the Mission Ridge expansion to increase the skiing opportunities and increase positive financial impact on the Wenatchee valley.
