Comments: I am a member of the Boise ATV Trail Riders and a part of the ride leader group. We like to introduce people to the sport so they can enjoy the outdoors. I have reviewed this web site and have not seen anything that addresses the wild fires that we have in this region. I feel that we need to stop the wild fires in the wilderness areas. The loss of trees is not a good thing. It reminds me of the problems in South America where clear cutting the forest is going on.

I would like to see more ORV trails so that we can get off Forest Service roads.
