

Data Submitted (UTC 11): 4/13/2020 7:17:56 PM

First name: Larry

Last name: Laxson

Organization: Idaho state Snow Mobile Association

Title: Pres.

Comments: It is time to return all historical uses in the great burn that were taken away illegally. The I.S.S.A. not only works to keep public lands open to snow mobile activity but also is very involved in Forest restoration.

Remember our tracks don't last.
