Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Love Wilderness areas. I enjoy not being run down by people on bikes, e-bikes and 4 wheelers. Trails are destroyed by bikes. Keep it wild.

Enjoy solitude

I would like to see it preserved for future generations.

Not many roadless places left. There are plenty of places for people to bike and snowmobile.

Don't know enough

Thank you for considering to keep this wild for us and future generations.
