Comments: As a 37 year resident of Eastern, WA, parent of 2 eagle scouts & Degree of a current scout leader, I beg you not to increase the board feet coming out of these forests! They have had many wonderful times learning about & Degree out our precious resources. I now have 4 grandchildren & Degree out on the way.

With the current administration removing or decreasing protections on the environment, plants, & Decrease the 'raping & Please DO NOT ruin this land for the Native Americans & Please Book of today as well as future people!
