Comments: I am William Porter and did a Missoula February 22 center northern rookies training with comment alternative X to eliminate all RWA designation to have the Great Burn, Beaver Ridge, and adjacent areas open to allow Snowmobiling and Mountain biking in good safe areas. I have not received any information about my comment, so I want to make sure you know this information is received and send me phone or computer email. There is some incorrect information from wilderness people that I never see any animals when I snowmobile and no people ever shoot winter time. Please open our Great Burn, Beaver Ridge, and adjacent areas so we do not have extreme fire areas like the wilderness areas. Please, thank you?
