First name: Molly

Last name: Sauerbier

Organization:

Title:

Comments: Alternative X"-no more scenic rivers, no more additional wilderness areas, more mining, logging, and, ATV routes and recreation.

I am Molly Sauerbier. My family has been enjoying the crooked river area for over 70 years. Our access to many roads and recreations has diminished tremendously over the years. I am against the forest service or government taking any more land privileges away from us. We own land there and would like to atleast keep the few privileges.
