Comments: Nez Perce-Clearwater Plan Revision Comment

hello, I would like to advocate to maintain bike access on State Line Trl 738 and restore access on miles 20-27. This area is amazing i would advocate to forgo natural resource extraction in this area by adhering to the Federal Roadless area rules. I would also like to advocate for existing single track access to be maintained.

thanks for your time, this area is an amazing gem for bikes and other users.
