Comments: My name is Mike, My family has been riding snowmobile in the Great Burn and surrounding areas for 40 years. We dont leave any lasting trace, nor have I ever disturbed any animals. I have never even heard of a animal vs snowmobile event in the Great Burn. We kindly share this area with all, yet, with the exception of the parking lot; I have never encountered anothe winter recreator in this back country. PLEASE CHOOSE OPTION X FOR THE TRAVE PLAN. So we can use our forest as Congress allows us to. Remove all RWA designations.
