Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I care about wilderness. I care about wildlife. I care about solitude and peace.

There will be much less of the above if the recommended wilderness area is shrunk and motorized transport is permitted in the Great Burn.

Please maintain the current size of the Hoodoo Roadless RWA.

Continue to manage the entire Hoodoo Roadless Area as Wilderness.

Snow machines have a demonstrated negative impact on wildlife. Do not allow them in the Hoodoo Roadless Area. Manage it as wilderness.

Thank you.
