Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

The Great Burns needs to remain non-motorized and wild!!

I've loved being in wild, non-motorized places!

Do what it takes to keep this wonderful place, ROADLESS!!

No Winter motorized vehicles to scare the wildlife!

I am not familiar with these water ways listed; but listen to MWA!

Please let MWA lead the way! They are selfless nature lovers!

Thank you to the forest planning team! Good job!
