Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

We must protect our wilderness. They are ever shrinking, and we owe it to our children to protect these resources for them. The right to explore must be protected. To explore, we must have untrammelled places.

.

Please protect the entire 151,874-acre Hoodoo Roadless Area.

Wilderness is not wild with the cacophony of motorized vehicles.

Please include in this protection plan Kelly Creek together with all its forks and Cayuse Creek.

.

Thank you very much for your efforts to create a comprehensive forest plan looking to the future.
