Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I enjoy using public lands that are not motorized. I would like to see all of the Hoodoo Roadless Area remain wilderness for the public to enjoy and to protect wildlife habitat

Have only driven near the area

I would like to see all of the Hoodoo Roadless Area continue to be managed as Recommended Wilderness

Hoodoo Roadless Area should remain non-motorized for people to enjoy silent sports and to maintain wildlife habitat

I would like to see Cayuse Creek and Kelly Creek and forks remain Wild and Scenic River status

none

Thank you forest planning team for your efforts to create this forest plan
