Comments: Many years ago I biked the state-line trail in the Nez-Perce National Forest and felt it was a tremendous trail for biking. We would ride peak summer weekends and rarely encounter other groups of hikers or horsemen - the use seemed very balanced and reasonable. I'd like to ask that the Nex-Perce National FOrEst

- maintain bicycle access to the State Line Trail (Trail 738) through the Nez Perce-Clearwater National Forest and restore access to miles 20-27, where it was recently closed.
- maintain access to the State Line Trail by existing singletrack routes
- and that the Forest Service recognize the Idaho and Federal Roadless Rules, which prohibit resource extraction on this landscape and preserve its wild character

THank you,

Ian
