Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I have lived in Montana for 35 years and have been an avid backpacker, mountaineer, and biker all my life. I have backpacked in The Great Burn and will always remember it as the time I came face to face with a wolf. We have few flawless areas left in the West and once they are gone, it is forever. Please protect this place and keep The Great Burn roadless.

Already stated.

Maintain entire area as roadless
