Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

This area needs protection to preserve it's wild and scenic nature. We have precious few areas like this left. These are the kind of areas that people spent \$3.7 Billion to see and spend time in last year!

Love visiting this area!

Protect the entire area!
