Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Im an ornithologist and hiker, skier, and enthusiast of all things wild. Those things are dwindling in this world.

Did a weeklong backcountry ski trip with our own legs. Not hearing or seeing snowmobiles was pivotal to our amazing trip.

All of it Wilderness.

We need to preserve more places without motorized access. Lands like this are few and far between.

Not too familiar. Cache creek is one of my favorite places.
