Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I think nature should be protected. It is of urgent need.

Please protect these lands and do not encroach on the wildlife there. This is an area that should not be taken away.

No motorized access. This upsets the habitats up there.

Recognize all of the rivers.

Keep it protected, please we urge you.

Thank you for protecting this area and keeping it that way.
