Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I'm a life-long outdoorsman and seek out pristine roadless areas to connect with nature and get away from "every day life". Areas like the Great Burn are becoming more and more scarce and I it is my wish that you consider preserving these few remaining pristine areas for not only now, but for future generations.

Thank you for your time and effort on my behalf.

Sincerely,

Dr. Reg L. Spannaus

Hiking for hours without seeing another 4 wheel drive truck, 4 wheeler ATV, or motorcycle. It is so very nice!

Please protect ALL of it.....

Solitude. Quiet. Peace. Serenity. Beauty.

I know little of the water systems, but fully support more Wild and Scenic waterways.

Those I've already enumerated.

I know any decisions you make will be unpopular with some segment of society. Therefore, I understand you will try to please as many factions as possible and I applaud you for your efforts.
