Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

We need to keep this area as a wilderness. This is a very special place that will be lost if it is opened up to motorized vehicles or reduced in size.

We have hiked there and it is simply amazing.

It should be kept as a wilderness area.

Motorized traffic will ruin the experience of the wilderness.

Cause and Kelly Creek should be looked into being designated as wild and scenic.

Just manage it as a wilderness area.

Thank you all for protecting our wild lands!
