Comments: Greetings,

I believe that the Stateline Trail (Trail 738) should be p[en for mountain bike use. I would also respectfully request that mile 20 -27 along the trail be restored to mountain bike use.

Having lived and recreated in this area for over 20 years, I believe that these trails which I have ridden bring a lot of happiness and recreation to families here in the inter-mountain west. As a family we have enjoyed both biking and hiking the trails in this area. It is a great resource for multi- recreation use and I hope my children can share both mountain biking and hiking with their kids in the years to come.

Thanks for you consideration.
