First name: Matthew

Last name: Barnes

Organization:

Title:

Comments: Please do not close any trails to bikes and/or ensure that there is no net loss in the amount or quality of biking opportunities.

Bikes belong and have zero additional impacts to flora and fauna when compared to hiking, running, horse riding, hunting, fishing, etc.

Only Congress can designate areas protected and managed under the Wilderness Act. By managing areas as Wilderness for decades, you would be bypassing the authority of Congress and violating the law.
