Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I care about the whole environment - for people and especially animals

it should be "managed" in its most natural state

I want it entirely protected

allowing vehicles only brings pollution and destruction

all the rivers are wild and scenic

thank you
