Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft
Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the
management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments
into the formal record.
I care about the whole environment - for people and especially ani,als
it should be "managed" in it's most natural state
I want it entirely protected
allowing vehicles only brings pollution and destruction
and milg vernotes only strings position and destruction
all the rivers are wild and scenic
all the rivers are who and scenic

thank you
