Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Montana needs more, not less protected wild && scenic areas && certainly LESS motorized access.

There are already ample snowmobile recreations areas without opening new ones.

I strongly support expansion of wilderness areas in Montana.

Walk, hike, hunt and enjoy the peaceable kingdom of nature WITHOUT motors.

All that wilderness advocates recommend.

We have waited far too long for an expansion of wilderness designation.

Thanks.
