Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I love adventuring and care about animals and dont want snowmobiled destroying goat herds

I want a healthy ecosystem that we can even consider recreating in

All of it

Because it hurts the animals

I know every river registered as wild and scenic is a special place to be

Protecting the natural environment and all creatures on it is top priority

Thanks!
