Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

My name is Pamela and am so intrested in saving all the wilderness that is left.we as people think of are own pleasures and not on what the results of them will be . We as people dont care enough for the plants animals that live there. How unkind that we destory instead of living in harmony with nature. So no y need not take more away from nature and the wild life .let them live in peace.thank y Pamela

Am not sure have not alot of experience. But my daughter is the head of the wilderness fountain. So have heard many a story from her

I also feel the same

Its people again we destory well we are having a good time not caring about the affects it has

They all should be

Not any more to say

Thank y for helping keep it safe from are harm
