Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I am a lover of all of Montana's Wilderness. The wilderness provides solace for humans but more importantly, for all the suffering wildlife faced with the ravages of global warming and human encroachment.

Please keep the entire Great Burn Wilderness intact; the entire 151,874 acres. This is not something we can replace or create.

Please do not open any of the Hoodoo Roadless area to winter vehicles. Protect our Wilderness areas.

I understand how much effort has gone into the forest service plan, thank you for all your efforts.

Wildlife first, not humans.
